SHIPPING OF PERSONAL LIQUOR INTO COLORADO

To Whom It May Concern:

You are allowed to bring liquor, including wine, spirits and beer into Colorado that is intended for personal use without a permit or permission letter. However, you must pay the state excise tax on any amount in excess of four (4) liters.

If your shipment comes through U.S. Customs, it will be held by them until you can produce evidence of payment of the excise tax. To pay the tax, use Form DR 0449 (attached) and mail the completed form and payment to:

Colorado Department of Revenue
Excise Tax Division
PO Box 173350
Denver, CO 80217-3350

Attach a copy of the completed form and check with your shipment as proof of payment for customs agents.

The tax rate for wine is 7.33 cents per liter; for spirits – 60.26 cents per liter; and for beer – 8 cents per gallon. An additional surcharge rate of \$.01 (one cent) per liter of all wine also applies.

If the liquor comes into Colorado other than through U.S. Customs, the payment of the excise tax would follow the same procedure.

If you have additional questions, refer to the attached FYI or contact Excise Tax at (303) 205-8211 x6848.

Sincerely,
